CALIFORNIA DWELLING UNDERWRITING GUIDELINES AND RATE GUIDE

31381 Rancho Viejo Road, Suite 101
San Juan Capistrano, CA 92675

This underwriting manual is provided for your use as one of many decision-making tools in the acceptability of a risk. Many situations arise that are outside the scope of this manual. In those circumstances, you should obtain as many facts about the risk as possible and contact your General Agent to discuss acceptability. This manual is not all-inclusive. Please use it as a guideline for acceptability and call your General Agent with any questions you have or risks you are uncertain about.

APPLICATION: American Reliable's application, the Property Disclosure, and the Earthquake Offer must be completed in full and be accompanied by 2 photos (front & rear) of the risk along with any other photos of additional exposures.

PHOTOS: Photos should be recent (within the past 6 months) and legible. Photos are required when additional exposures are present such as woodstoves, swimming pools, or other structures exceeding 30% of the dwelling amount.

INSPECTIONS: Inspections with at least 2 photos (front & rear) showing the entire premises are required on all new business.

BINDING AUTHORITY: Bound applications that do not meet our underwriting criteria for eligibility will be processed and a Notice of Cancellation will be issued to terminate coverage. Unbound applications that do not meet our underwriting criteria for eligibility will be returned to the agent with a letter of explanation.

For coverage to begin as requested, the application must be mailed within 72 hours of the effective date, otherwise coverage is bound at 12:01 a.m. The day it was received by the company or general agent.

NATURAL CATASTROPHES – BINDING:

Hurricanes And Tropical Storms: No new policies, binders, or increases in coverage will be accepted in counties where a Hurricane Watch, Hurricane Warning, or Tropical Storm Warning has been posted by the National Weather Bureau.

When a hurricane or tropical storm has diminished to a point where it is no longer classified by the National Hurricane Center as a hurricane or tropical storm, all restrictions above are lifted.

Earthquake Restrictions: When a major earthquake occurs, the Company will impose binding authority restrictions on all agents in the affected area:

- Binding authority will be restricted when an earthquake reading 5.0 or greater on the Richter Scale occurs.
- Binding authority will be restricted for the day of the quake and for the 3 day period following the quake.
- An aftershock reading 5.0 or greater on the Richter Scale will be considered a new earthquake, and will result in a new period of suspended binding authority.
- The restrictions will apply to all counties located within 150 miles of the earthquake's epicenter.
- The same above restrictions apply to any requests to increase coverage limits.
- Renewals are not affected by these restrictions.

This only applies when earthquake coverage is provided.

Wildfires: No new policies, binders, or increases in coverages will be accepted when a wildfire is within 25 miles of the home.

As a rule, if a threat exists, agents should not bind coverage until they have called the Company and verified that no binding restrictions are in effect.

NEW PURCHASE: If the home is a new purchase, provide purchase price, prior address, previous carrier and loss history for prior location.
